

Family Festival and Peace Blessing

Congress Hall, Tirana, Albania, October 27, 2019

Heavenly Parent, we are thankful and truly grateful. Heavenly Parent. We know how much you have looked forward to this day. Today, 12,000 representative couples have been reborn through the blessing as Your children.

Thank you for blessing and being with these 12,000 couples who have gathered here. When we think of the past in Albania, one of the countries in the Balkan region, we know that they have gone through a terrible history. God, please look over this country. Through your embrace, they can become a Heavenly Albania that attends You, Heavenly Parent.

Now that blessed families that can open a new era were born today, at this time, through these children who received the blessing, we want to undo the resentments of their ancestors who unjustly died throughout history. I know that You will do your best in the spirit world and on earth to accomplish Your providence. Thank you so much, Heavenly Parent!

How long did you wait for this day to come? Now, through these [blessed families] may [Albania] not be remembered as a nation on the Balkan Peninsula

that has a miserable past but may they be able to stand at the center of the world as a Heavenly Albania that is one with God.

Furthermore, thank you for granting them with the grace of being able to expand the cause of the providence. Please remember, that now, this government, the religious community and the citizens of this country are entering the stage of becoming citizens of Cheon-Il-Guk as Heavenly Parent desires.

Today, God is looking at this blessing and the citizens of this country with hope for the future and is keen to see how it will move forward. Heavenly Parent, please be with Heavenly Albania and as they start on the path of chosen families, Heavenly Parent, please remember and bless them all.

I pray and proclaim all this in the name of True Parents.

True Mother's Speech

Congratulations to all those that received the blessing today. You are all chosen families with no ties to the fallen world who can bring about Heavenly Parent's dream.

Yesterday, I proclaimed in front of Heaven that you have become a Heavenly Albania that attends the Heavenly Parent. May all the nations in the Balkan region become one with Heavenly Albania. I will guide and teach you how you can create the peaceful and prosperous world that you are all looking forward to.

Today we had a groundbreaking ceremony to build the Cheon Il Guk Embassy. The countries on the Balkan Peninsula can become one through the Interreligious Association for Peace and Development (IAPD), International Summit Peace Council Assembly (ISPC) and International Association of Parliamentarians for Peace (IAPP). This Embassy of Cheon Il Guk is to demonstrate and teach future generations how to create a peaceful world.

The nations of the Balkan Peninsula should look to the world. Do not lament over not having become a member of the European Union. In the past, the

Balkan Peninsula was the gateway to Asia. All the nations located on the peninsula can enjoy freedom. In order to do this, the people must be strong.

Now that you have become a new Heavenly Albania that attends Heavenly Parent, I hope that the people of Albania will not just live for themselves but live for the sake of others, practicing true love. If you can become an example and influence all the nations on the Balkan Peninsula, you can become one.

The world is wide. I hope that you can follow God's providence and become one with the only begotten daughter, True Mother. May Heavenly Albania become pioneers that take the lead in the world.

So, I would like to appoint former president Alfred Spiro Moisiu as chairman of the steering committee. I want to give funds to help the nations on the Balkan Peninsula to unite. .
