

WINTER CHALLENGE 2020

We would like to invite all HARPIes for a **Winter Challenge - a 4-day online workshop** to end the year together as brothers and sisters.

We know how challenging these times can be - movement is limited, some countries' borders are closed, schools have moved online, and as much as winter means Christmas and celebration, everything might feel a bit grey now, especially since there will be no offline workshop held at our favourite workshop site - Glanów.

After realizing that we can make something great out of the situation, we decided to prepare an online workshop for you. Our motto will be **Take Away the Grey**, and we will be focusing on three main topics throughout the workshop: how was 2020, what goals do we set for 2021, and what attitude do we want to bring into this new year.

Although we are aware of the limitations of an online workshop, we will make our best to create a warm atmosphere. Every day we will start with morning sports and HDH reading, continue with an inspiring short talk from one of the staff members, discuss in teams and come back together to finish the day with a creative activity and a challenge for the day. Please note, that this is a **Winter Challenge**, there will be occasions where you will have to go out of your comfort zone, but remember, we are all here to support you and help you in your growth process.

More details about the workshop:

Dates and times: December 28th-31st, 9-11 am CET
