*“There is hope for us. God is with us. We owe much to Him. We must not pass down our indebtedness to our descendants. Today’s Republic of Korea has come to be because Heaven and the world acted together in the civil war that broke out on the Korean Peninsula seventy years ago to protect Korea’s democracy.”*

We invite you to this “Launch of THINK TANK 2022 for the firm establishment of the Heavenly Unified Korea” lead by Dr. Hak Ja Han Moon, the Mother of Peace. We carry a vision where a peaceful world can only be achieved when the world comes together as one human family under Heavenly Parents through interdependence, mutual prosperity, and universal values. All problems can be solved, not by our human-centered thinking and standards, but when humanity attends God in the position of children and moves forward centered on God as the parent.
